

**TRIPARTITE MEMORANDUM ON EMSEV 2016 WORKSHOP BETWEEN EMSEV  
IUGG-INTER-ASSOCIATION WORKING GROUP, LANZHOU INSTITUTE OF  
SEISMOLOGY (CEA) AND INSTITUTE OF CRUSTAL DYNAMICS (CEA)**

Upon invitation by Prof. Lanmin WANG, Director of Lanzhou Institute of Seismology (LIS), EMSEV Inter-Association Working Group (Chairperson Jacques ZLOTNICKI, General Secretary Toshiyasu NAGAO, and EMSEV Members Jannyenq LIU and Qinghua HUANG) and Xuhui SHEN at Institute of Crustal Dynamics (ICD) visited LIS during September 10-17, 2015.

During the visit, LIS, ICD and EMSEV discuss items regarding the international EMSEV-2016 Workshop being held in Lanzhou. The above tripartite sides agree on the following:

1. The Workshop consists of two parts, the pre-workshop being held in Beijing during August 23-25, and the workshop being in Lanzhou during August 25-29, 2016, and will be jointly sponsored by LIS, ICD, and EMSEV.

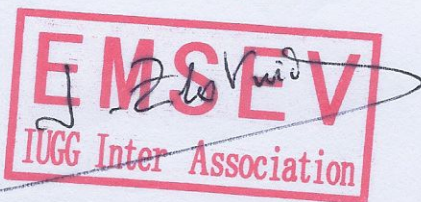

2. The Workshop will focus on Understanding Earthquakes and Volcanoes from Lithosphere to Space, and be developed along several topics related to electromagnetic and other geophysical methods.

3. LIS and ICD will do their best for hosting the International Workshop. Among that, they will:

- (1) Secure the organization of the Workshop and the hosting,
- (2) Insure the logistics and the accommodation of the Workshop,
- (3) Take in charge the financial aspects of the Workshop,
- (4) Contribute to the edition of main papers of the Workshop.
